PROFILE

I'm live in cambodia and Ratanakirri provinces. After read this website you get more information about me Then I passed the schoolaship from PNC, That's why I'm living in Cambodia today More than That I have gratuated from PNC since 2022. About bachellor Degree. Now I'm really happy to get the opportunity jobs from you as well as I can.

EDUCATION

2008-2013

I used to study two primary school. during 2008-2010 it's been in Laok primary shool I was in grade 1-5. Than I move to Ochum primary school for a year. And that time I were in grade 5. That is too amazing that I can study again.

2013-2017

While I was studying at over here is time that I was young and and haven't yet some experiences. and it is the hard time for me in spanding money and or doing

2017-2020

This school is have very much, and very effect to my life. During I was here I have alot about life skill and get too much experiences for teacher. All teache here is kindly and love all student

2021-2022

About two years already that I have been spand my with NPC. During I was here I have learnt alot of thing espically Soft-skill and Technique ski

EXPERIENCE

2008-2023

work for 5 comapany ago

I have work for about 2 company that is why I strongly believ that I can work with the best carree.

2008-2023

Already much project

I have already done with alot of project both work alone or working in . That is wh all job that got from provider is easy for me.
